Sir,

Subject Enhancement of remuneration to Municipal Advocate.

Reference - G O No L1978-9/~~CM 84-85-9~~/CM 84-85-2 dated 13-9-45 sanctioning the proposal of the Municipal Council to ~~xx~~ enhance the remuneration to be paid to the Municipal Advocate from Rs 100/- to Rs 150/-.

In the above order the Government were plased to fix the remuneration payable to the Municipal Advocate, whose appointment is conterminus with the term of the Municipal Council at ₹ 150/- p m Subsequent to the above date, the work of the Municipality has increased in all directions in respect of the filing of civil suits for non-payment of Municipal Taxes, Launching of prosecutions for Municipal Offices under Sanitary and other rules Appeal cases have also proportionately increased The number of references on which the legal opinion is sought for in respect of day to day administration of the Municipality is also on the increase Besides attending to the courts, the Municipal Advocate has been attending to the preparation and scrutiny of all prosecution cases.

The number of suits filed in a year is more than 150 Prosecutions under several sections number more than 2,000 Besides giving advices, the Advocate himself attends personally when ever the cases are complicated

On account of the increased work and responsibilities he is practically left no time for attending to his own personal work For similar work in Bangalore Corporation, there are two Municipal Advocates on Rs 250/- p.m each with two prosecutors on Rs.100/- each p.m. The Municipal Advocate brought to the notice of the Council these facts and requested for suitable enhancement of remuneration. The request of the Municipal Advocate was considered by the Budget Meeting of the Managing Committee and the Council during March 1955. They were of opinion that the remuneration that is being given to him is very small. They have therefore resolved that the remuneration of Rs 150/- be raised to Rs 200/- with effect from 1-1-1955.

I enclose a copy of the resolution and request that orders of Government may kindly be obtained sanctioning the resolution.

Due provision has been made for the enhance rate of allowance under H.Law charges of the Budget Estimates for 1955-56.

Yours faithfully,

(N Lakshman Rau)

It is not clear from the memo as to the purpose for which it is recommended that Law Graduates are to be appointed. If it is for the purpose of doing office work, giving opinion, drafting etc., there can be no objection.

If it is for the purpose of conducting cases in the Courts, it should be noted that the Advocate becomes an employee of the Corporation on salary basis he will not be entitled to file Fee certificates and claim fees through Court either from the Corporation or from the opposite parties in the suit That is why even in Banks having heavy court work and other legal work they only pay a retainer and never employ an advocate as a whole-time official.

This aspect of the matter should be taken into account in considering the subject.

Further it may not be advisable in consideration of the attention, quality of work, and sense of responsibility necessary in the discharge of court work. A whole time employee may not feel the same way
